Re: Acknowledgment

To Whom It May Concern:

I am extremely pleased with the level of professionalism and workmanship exhibited by Mr. Wesley Scott. His attention to details, continuous follow-through and customer services resulted in the completion of the project and other roofing repair works. I am very pleased with the rapid response time when we needed the repair at HMMA.

Sincerely,

A handwritten signature in black ink, which appears to read 'Vincent K. Bounphouansy'. The signature is written in a cursive style with a large, sweeping initial 'V'.
